Why Cedar Family Care

We take time to understand each client's needs, routines, personality, and preferences, then carefully match them with a small, consistent team of caregivers.

Carefully Matched

Caregivers are selected based on experience, personality, skills, and fit.

Consistent & Reliable

Familiar caregivers help build trust, comfort, and stronger relationships.

Caregivers You Can Trust

Our caregivers are carefully screened, background checked, and chosen for their compassion and reliability.

Flexible, Personalized Care

From companionship and personal care to meals, errands, transportation, and daily routines, support is built around your family.

Care that feels a little more like family.
